

The Magnificat

Stewardship at St. Mary's!

Stewardship is about being grateful, responsible stewards of the gifts we receive from God. The tradition of giving back to God and to the church comes from the Biblical practice of "tithing," which means to give back a tenth of our earnings to God (*Numbers 18:26*). The Episcopal Church views stewardship as more than simply contributing money; it's also about contributing time, prayers, talents and volunteering for ministry and mission. It's about reaching out to build relationships from a perspective of abundance instead of scarcity.

Stewardship Drive 2026 has begun! Our theme this year is "Maximizing God's Blessings for His Glory."

Parishioners have been asked to speak at services about what St. Mary's means to them and why they give. You will hear from them Sept. 28, Oct. 5, and Oct. 12th, at both services. Then we will wrap up the Stewardship Drive with Pledge Sunday on October 19th.

Here are a few stewardship terms to be familiar with: Pledge--A commitment to give one's time, talents, and money as an expression of faith and a response to God's generosity. Parish members are encouraged to make an annual stewardship pledge on a *Pledge Card*. This pledge represents their specific commitment to "work, pray, and give for the spread of the kingdom of God" (Book of Common Prayer, pg. 856). The St. Mary's 2026 financial budget is prepared in light of total pledges received on Pledge Card Sunday.

Offerings -- Offerings are gifts (typically money) presented at the church service or other gatherings. At the offertory, representatives of the congregation bring the people's offerings to the celebrant for a blessing (BCP, p. 361). At times, those who attend a special church program or presentation may be invited to make an offering to support the program, a needy cause, or the sponsoring parish, sometimes called a Love Offering. Offerings are made as an expression of faith and generosity and ultimately identify with Christ's self-offering for our salvation.

Offering Envelope--When you give your gift you may choose to use an offering envelope to put your money/check into. Envelopes are located in the pews or you may request a stack of envelopes from the church office, to have with you at home.

Envelope Numbers--Envelope numbers are unique identifiers assigned to individuals or families for their financial contributions. Writing your envelope number on the offering envelope or your check helps streamline the record-keeping process, creating a paper trail for each donor's contributions and allowing St. Mary's to track donations accurately using our church software. At the end of the year, using that number, individual contributions statements are given to to use for tax purposes. If you do not know your envelope number, contact the church office.

Pledge Sunday --This is the Sunday you will bring your filled out pledge card, which you will receive in the mail. **Pledge Sunday at St. Mary's is**

October 19th. If you have any other questions, please contact the church office. 850-623-2905.

My husband and I attended 10 hours of the 20 hour Community Emergency Response Team (CERT) course. As part of this course, we obtained our Basic First Aid certification. I wanted to share upcoming CPR and Basic First Aid **FREE** classes being taught in both Milton and Gulf Breeze by Santa Rosa County Department of Health in October and November. I spoke to the instructor and he recommended any interested youth around 10 years of age can attend either or both CPR/First Aid with an adult family member. Certification is from the American Health and Safety Institute and there is no registration required. For anyone interested in attending, here is the list of Upcoming class information.

St. Mary's will be one of the stops on the Milton Ghost Walk. As we have for several years in the past, we will open the doors to groups who will be on a walking tour to various historical buildings throughout Milton. The groups will hear the history of St. Mary's from the gothic style architecture to the young bride who may still be around today and maybe even get a glimpse of Dr. McDougall and his wife.

If you would like to dress in period clothing (1800's) and join us in the pews, you are welcome! You will not speak to anyone—just sit as a parishioner from the past! Contact the church office or speak to Mother Leanne.

Tickets for the Ghost Walk can be purchased at the Railroad Museum in Bagdad. (850) 623-3645
